

LIBRARY LOCKDOWN POLICY MANNING PUBLIC LIBRARY

In the event of a police emergency such as an “active shooter”, it may become necessary to “lockdown” the library to protect occupants and minimize the overall exposure to danger. A “lockdown” is a temporary sheltering technique utilized to limit civilian exposure to an “active shooter” or similar incident.

When instructed by the Manning Police Department to initiate a “lockdown” of the public library, the following tiered policy is to be implemented.

1. **Low Level Lockdown** – implement when alerted that an incident has occurred in the surrounding area. All exterior doors are locked not allowing entry to anyone until the all clear has been sounded. Patrons would be allowed to conduct business as usual and to leave at their own risk.

2. **Medium Level Lockdown** – Implement when alerted that an incident has occurred in the City Of Manning. All exterior doors are locked not allowing entry or exit to anyone until the all clear has been sounded. Patrons are not allowed to leave not only for their own safety, but the safety of others; including officers who would have to provide attention to their movements.

3. **High Level Lockdown** – Implement when an incident occurs on or near the library premises. All exterior doors are locked, lights are eliminated, and persons are gathered into one location. No one is allowed to leave until the all clear has been sounded.
